One Slow Night at Seattle Mercy Hospital. PG, Dean/female!Crowley, Sam + Castiel + Lucifer + Gabriel + one poor hospital nurse. *In a Season Five AU where 5x19 didn't happen or hasn't happened (and Gabriel is following Team Free Will around kind of), where Dean and Crowley are in a relationship enough to get Crowley pregnant, and in a world where Lucifer would want to be there at his granddaughter's birth - one poor hospital nurse decides that she needs to keep an eye on the family waiting outside the room, because she doesn't want them to fight or something. Thankfully, it's a slow night.*

Do you want the truth or something beautiful? I am happy to decieve you - Paloma Faith It's some Gabriel & Castiel gen set during 5x08.

Trinity Blood AU with Dean and Cas hunting vamps. PG, is a neat reimagining of both series, I think.

they're at the next annual SPN convention (why? I dunno) & it turns out Chuck kept writing. Castiel is now included in the series & Gabriel's identity has been revealed. GO. Exactly what it says on the tin. :]

"Who gave horror the fatal delight, that entices like a darker happiness?" (The Corrupter by Karin Boye) Castiel + Dean + Sam (and Uriel), speculation on the nature of angels, in other words. I should have titled it 'Because angels are terrifying forces of nature, damn it.'

The morning after spending one wild night in Vegas. However, no one remembers what happened. Hilarity ensues when they try to figure out what they did. Pure crack. I wrote this late in the day, and it shows. But it was fun.

Hello, Goodbye G, There's something strange about the two kids Bobby's taken in, and Dean means to find out everything he can about them.

SPN/Shadow Man crossover S6 AU Divinity isn't anything to do with being good, Dean. It has nothing to do with being moral. / He's an artist, you know, like, he's a warrior priest from beyond the stars! /

Other vessels

Supernatural, Nick, Sometimes he catches glimpses of what Lucifer is doing through eyes that are no longer his.

Angel Vessels (Donnie, Jimmy, Nick…) they understand, like no one else ever could.

Misc. ships and 3+ships

Zachariah/Dean, "You must understand something, boy. We can't allow you to say no."
PG-13, traumatizing. Set during S5. There's no kissing or other explicit acts, but Dean gets a case of 'oh hell no' either way. I like it. >:]

Quickly Over and Lost. NC-17, Gabriel/Ishtar (the Goddess).

Dean hated him with every fiber of his being... or so he kept telling himself. Dean/Uriel NC-17, noncon, rough, wallsex...definitely darkfic. Yes.

Supernatural, Sam/Gabriel/Lucifer, NC-17, threesome/little bit of claiming/handporn

On a beach Gabriel/Castiel/Dean, NC-17. My original author's notes: I don't know when this is set, but this has your exotic locales prompts, hints of your threesome prompt (you'll see what I mean) and implied Castiel/Gabriel/Dean/Sam. Hope you like it!

Dean/Castiel/Gabriel PWP

Quit arguing and get over here. **Title:** Good to be Alive. **Pairing/Characters:** Gabriel/Dean/Gabriel. **Rating:** NC-17. **Warnings:** Smut! **Summary:** *"Someone screwed up and brought us back twice."*

Supernatural - Balthazar/Dean - Dean finds Balthazar's corpse and wing imprint. Dean can't accept his sight, not in this case. Not when Balthazar had been an ally - more, but he denies that. He touches the ashes, swears violently, and thinks: this is why they turned their backs on Castiel, and love him not.

Cas/Gabe/Sam - Gabriel accidently gets high on Mint... this makes him very cuddly. PG, adorable as all get out, all I could think was 'catnip!' So one word summary: Kittybriel.

The Other Shadow's Disdain (sequel to above Twenty Shadows)

Turn Away From The Sun (Belial/Castiel)

Zach and Cas bond over their sad, twisted relationships. In a bar. Drunk. With Stuart. While awful (though oddly fitting) jukebox music plays in the background.

SPN!Nick!Lucifer + AS!Michael, "okay, that's it, you asshole!"
